**Nature of Proceedings:**

Status Conference on the record regarding the recent motions which were filed (d.e. 396, 722 and 746) and the request for the trial to be adjourned. Counsel waived defendants' appearances on the record. Counsel will file their client's position on the docket with respect to the possible adjournment discussions and any STA concerns that defendants may have that were placed on the record. Defendant Schwartz position will be filed by COB today and Defendant Coburn's position by Friday. Further Depositions are necessary, and the Government shall provide an outline exparte letter under seal by Monday. The Court will consider if further briefing from the defense is necessary on certain topics as discussed on the record and if an adjournment is warranted. Defendant Schwartz application to submit a 2-page letter regarding the Debevoise deposition and the 302 deposition will be submitted after the Court reviews the Governments exparte submission. Counsel will advise Chambers with an update on their projected timeline and the Court will set a telephone/status conference soon thereafter.
